CHAPTER _____

An act to add Section 4959 to the Public Resources Code, relating to conservation camps.

LEGISLATIVE COUNSEL'S DIGEST

SB 1098, La Malfa. Conservation camps: inmate labor.

Existing law requires the Department of Forestry and Fire Protection to utilize inmates and wards assigned to conservation camps, among other things, in performing fire prevention, fire control, and other work of the department.

This bill would require the Department of Corrections and Rehabilitation to provide all inmate classification, reclassification, and readmission score sheets in its possession to the Department of Forestry and Fire Protection personnel assigned to the conservation camp in which the inmate is being placed.

The people of the State of California do enact as follows:

SECTION 1. Section 4959 is added to the Public Resources Code, to read:

4959. The Department of Corrections and Rehabilitation shall provide all inmate classification, reclassification, and readmission score sheets in its possession to the Department of Forestry and Fire Protection personnel assigned to the conservation camp in which the inmate is being placed.
